Michael C. Dillon
Project Manager

October 30, 2007

To Whom It May Concern:

We have had the pleasure of working on several projects with Lasa Construction, Inc. in the Jacksonville area. Some of these projects include; COJ Downtown Parking Garage, San Marco Place Condominiums, and Digital Video Arts.

The scope of their work included; metal framing, GWB sheathing, GWB finishing, lath, stucco, acoustical ceiling systems. For which the total contract amounts were \$450,000.00.

Lasa Construction has demonstrated high quality workmanship, meeting and exceeding the expectations imposed upon them, they have been very proactive and responsive to our needs and we would highly recommend them for any upcoming projects.

Sincerely,

Michael Dillon
